About the University

Established by an act of the Indian Parliament in 2009, the Central University of Karnataka is one of the 16 central universities established during the UGC XI Plan Period. CUK has 654 acres of campus, and 12 schools under which 26 departments are offering various undergraduate, post-graduate, and doctoral degree programs. It is a rapidly developing higher education institution with a vision to be committed to universal values and knowledge.

About the Department of Psychology

The Department of Psychology was established in 2009 in the School of Social and Behavioural Sciences. The Department of Psychology beseeches the active participation, association, and involvement of a multi-disciplinary group of psychologists, social workers, rehabilitation professionals, social scientists, scholars, and researchers who contribute to the field of behavioural sciences in a holistic manner. The department, through education and research, targets to nurture manifold areas of behavioural sciences and attempts to improve the quality of life of individuals as well as society. The department has been offering a five-year integrated master's degree programme in Psychology (IMSc), Two - a year Master's degree programme in Psychology (MSc) and a Doctoral programme in Psychology since 2011. The department offers specialized courses such as Clinical and counselling Psychology and OB and HRM. The department has introduced an undergraduate programme in Psychology as per the NEP 2020 framework with effect from the academic year 2022.

National Commission for Women New Delhi

The National Commission for Women was established as a statutory body in January 1992 under the National Commission for Women Act, 1990 of the Government of India. The commission aims to review the Constitutional and Legal safeguards for women, recommend remedial legislative measures, facilitate redressal of grievances and advise the Government on all policy matters affecting women. Commission organizes workshops, consultations, constitutes expert committees on economic empowerment of women, conducts workshops/seminars for gender awareness and women empowerment.

About the Program

Department of Psychology is proactive in organizing the programs which address the current needs of the students, taking this opportunity as was proposed by National Commission for Women to organize Capacity Building and Personality Development Program for female students, the department took it and has come forward with organizing it. It will be a day long program which will have four sessions. Two sessions will be on personal capacity building, one-one session will be on professional capacity building and digital literacy and effective use of social media. These sessions will be taken by experts and at the end of the program participants will be given certificates. The objective of the program is to empower female students so that they are equipped to face challenges with confidence, are prepared professionally and are capable to making use of digital and social media platforms.
