Conference Theme:

Vikasit Bharat@2047 represents the vision of a developed and self-sustained India by 2047, embracing science, engineering, technology, innovation, and building a resilient economy. In the pursuit of realizing this vision, the Department of Economic Studies and Planning, School of Business Studies, Central University of Karnataka in collaboration with Confederation of Medium Industries in India (CMII), Hyderabad and Swavalambi Bharat Abhiyan (SBA) organises "Vikasit Bharat@2047: Way towards Self-Reliance" a Two-Day National Conference at Central University of Karnataka. This conference provides a comprehensive platform for in-depth discussions, knowledge sharing, and idea generation for policy formulation across various domains that are crucial for self-reliant India.

The conference also aims to bring together experts, policymakers, researchers, academicians and other stakeholders to explore policy frameworks and eco-friendly sustainable solutions for a self-reliant India.

The conference will feature focused sessions for each theme, including keynote addresses from personalities of eminence, plenary sessions by the experts, and showcasing the self-reliant success stories in the form of exhibitions.

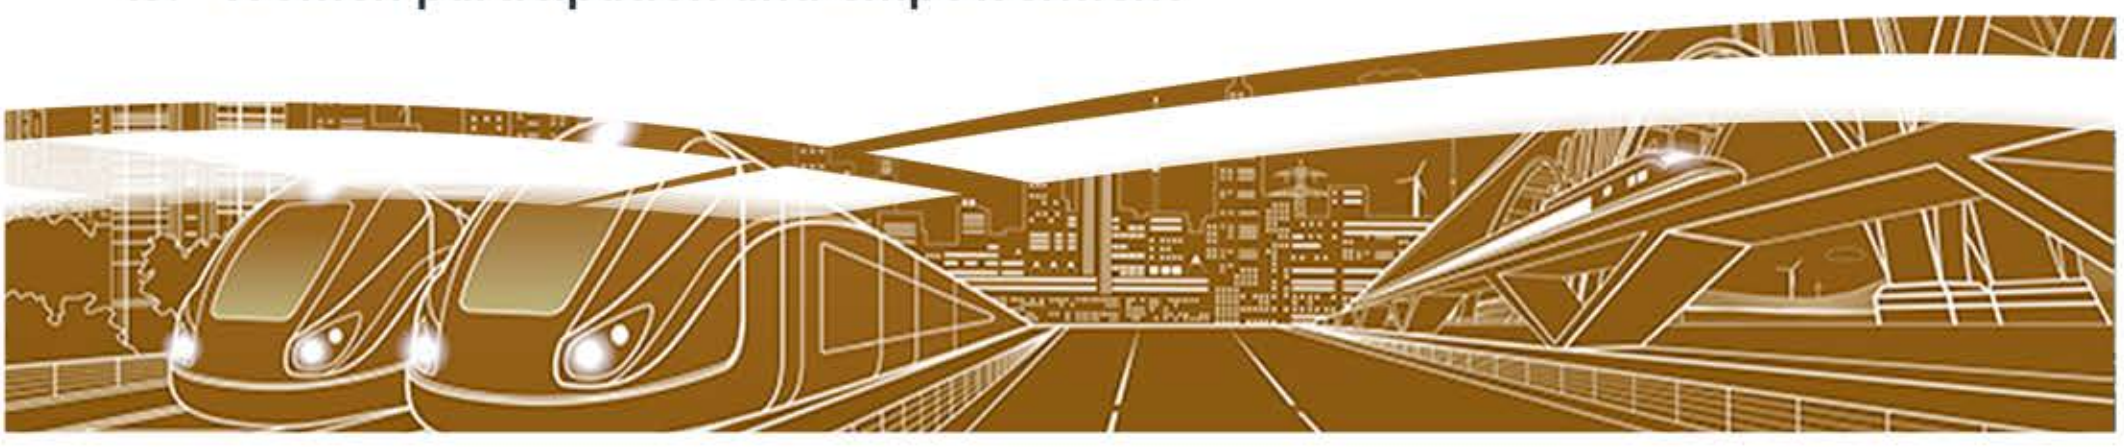
13. Artificial Intelligence and Robotics in Economic Development
14. Green and Blue Economy
15. Women participation and empowerment



Central University of Karnataka

School of Business Studies

The Department of Economic Studies and Planning

About the University:

Established in 2009 under a parliamentary act, the Central University of Karnataka is a leading institution for higher education in Karnataka State. Offering a wide range of programs, including undergraduate, postgraduate, and PhD in Engineering, Sciences, Social Sciences and Humanities and Languages. The university is situated at Kadaganchi village on a sprawling 654-acre campus, 25 km away from Kalaburagi city on the Aland Road. Known for its academic excellence, it is one of the top-ranking universities in India, making a significant impact not only in the Kalyana-Karnataka region of Karnataka state but also in the Nation.

About the Department:

Department of Economic Studies and Planning (DESP) is a premier branch in the School of Business Studies established to impart quality education in economics and to promote higher research that seeks to provide policy solutions for economic problems faced by businesses, consumers and economies over space and time. DESP's vision is to become a leading centre of economics learning in India and the world. It is committed to provide specialist training, skills and expertise to our students to become leaders of change for furthering the objectives of the social, market and governmental institutions they choose to serve. Its syllabus is innovatively embedded in accumulated knowledge base and emerging fields of study. Along with a rigorous teaching programme, it constantly strives to promote cutting-edge research and scholarship supervised by its eminent faculty. While keeping the global and national focus of its research activities, the department would actively address regional needs by encouraging research on regional development and industrialization, rural entrepreneurship, small and medium enterprises, agricultural advancement, etc.

About the CMII:

The Confederation of Medium Industries in India (CMII) is an independent, non-governmental, and not-for-profit organization dedicated to propelling Industries success. Established by industry professionals under the visionary leadership of Mr. V. Vidyasagar, Chairman and Managing Director of Sagar Asia Pvt. Ltd., CMII stands tall as an independent, industry-led organization with a passionate commitment to nurturing the growth of medium-sized industries in India.
