About ICSSR:

Indian Council of Social Science Research (ICSSR) was established in the year of 1969 by the Government of India to promote research in social sciences in the country. The Council aims to: Review the progress of social science research and give advice to its users; Sponsor social science research programmes and projects and administer grants to institutions and individuals for research in social sciences; Institute and administer scholarships and fellowships for research in social sciences; Indicate areas in which social science research is to be promoted and adopt special measures for development of research in neglected or new areas; Give financial support to institutions, associations, and journals engaged in social science research; Arrange for technical training in research methodology and to provide guidance for research; Co-ordinate research activities and encourage progrmmes for interdisciplinary research; Develop and support centers for documentation services and supply of data; Organize, sponsor, and finance seminars, workshops and study groups; Undertake publication and assist publication of journals and books in social sciences; Advise the Government of India on all matters pertaining to social science research as may be referred to it from time to time; and take such measures generally as may be necessary from time to time to promote social science research and its utilization.

About Central University of Karnataka:

The Cetral University of Karnataka (CUK) has been established by an Act of the Parliament (No. 3 of 2009) at Kalaburagi, Karnataka. It is one of the 16 new Central Universities established by the Government of India during the UGC XI Plan Period to address to the concerns of 'equity and access' and to increase the access to quality higher education by people in less educationally developed districts which have a Graduate Enrolment Ratio of less than the national average of 11%.The University has 654 acres campus, situated near Kadaganchi village in the district of Kalaburagi, Karnataka State. It is claimed that CUK is the first Central University to move to its permanent campus in a short time among the new ones. The main objective of this growing University is to integrate teaching, learning, training, research, innovation and skill development with an aspiration to excel in undergraduate, post graduate and doctoral studies. The University offers programmes in six major areas: Arts, Humanities, Social Sciences, Management, Sciences, and Engineering. The University is working towards making the campus green, energy efficient and sustainable.

About Department of Education:

The Department of Education offers B.Ed., M.Ed. and Ph. D. programmes recognized by National Council for Teachers Education –Southern Region Committee (NCTE -SRC) with the intake of 50 students for B. Ed and M. Ed. programme, meant for prospective Teachers at Secondary level and Teacher Educator. The primary objective of the Department is to impart quality teacher training. In addition to teaching- learning process, research and extension activities such as seminars, discussion are the integral part. This is a course with potential of employment in teaching learning, evaluation and research.

Learning Outcomes of the CBP:

On successful completion of the Capacity Building Programme(CBP), the participants will be able to -

- Understand the theoretical and philosophical underpinnings of research.
