

CUK is the pride of Karnataka: Ramesh Pokhriyal 'Nishank'

Shri. Ramesh Pokhriyal 'Nishank', Hon'ble Minister of Education, Government of India inaugurating the new buildings in CUK

"CUK is the pride of Karnataka. I am very happy to inaugurate all the newly constructed buildings and other developmental activities. I am pleased to see the progress of the university and its beautiful campus. I am very confident that the university will become a centre of excellence and bring revolutionary change in the education sector and it will certainly contribute for the nation building," said Shri. Ramesh Pokhriyal 'Nishank', Hon'ble Minister of Education, Government of India.

He was speaking on the occasion of virtual inauguration of various buildings and other development activities of Central University of Karnataka (CUK), Kalaburagi. In total 17 academic buildings (Block D-7 to D-23), two OBC hostels, one guest house, one multipurpose hall, 1.20 lakh cubic meter storage capacity pond and 20 lakh liters water storage capacity sump were inaugurated.

While talking about the New Education Policy (NEP), he said, "NEP emphasizes on research and development which is the backbone of the nation building. Green revolution, white revolution and other developments are the outcome of R&D. As our Prime Minister says we have

to reach new heights globally through research and development, hence we are going to establish National Research Foundation (NRF) to boost the research and innovation in the country." He added, "In the short span of time CUK has grown immensely and showing great potential to become centre of excellence. Quality education is the engine of productivity and it will help to achieve 'Atma Nirbhar Bharath'. Education is about providing national and constitutional values and scientific temperament among the students."

"We have to make students to inculcate values of Ek Bharath Shrestha Bharath," said Shri Sanjay Dhotre, Minister of State, Ministry of Education, Government of India. Vice Chancellor, Prof. H M Maheshwaraiah, explained about the progress of the university in the last five years. Chancellor Prof. N R Shetty, Dr. Umesh Jadhav, Member of Parliament, Lok Sabha Kalaburagi, Smt. Suvarna H Malaji, President Zilla Panchayat Kalaburagi, Pro Vice Chancellor, Prof. G R Naik, Registrar, Prof. Mustaq Ahmed I Patel, Esteemed Court, Executive Council and Academic Council Members, Teaching and Non-teaching staff and students were part of the virtual event.

CUK Ranks among Top 75 Govt. Universities in India

Central University of Karnataka ranks 73rd position among government universities in India in the survey conducted by Education World, a Mumbai based education magazine. The survey also mentioned CUK is in 8th position in the Karnataka State. The ranking is based on ten criteria such as competence of the faculty, faculty welfare and development, research and innovation, curriculum and pedagogy, industry interface, placement, infrastructure and facilities, internationalism and leadership/governance quality. In the last five years, CUK has achieved phenomenal growth in infrastructure development and recruitment of huge number of faculties significantly contributed for this ranking. "I am confident that within next five years CUK will get place in top ten universities. We are committed to quality education and keep improving our performance. I also congratulated all the teaching and non-teaching staff for their immense contribution for the development of the university," said Hon'ble Vice Chancellor, Prof. H M Maheshwaraiiah.

International Yoga Day Celebrated at CUK

"Yoga being an ancient practice helped the people all over the world fight the stress and its consequences, it brings the harmony between mind and body. Practicing Yoga for half an hour recharges our body and helps us fight the internal and external body diseases by boosting the immunity. It is a need of the hour to realize the potential of the Yoga in the hard times of pandemic Covid-19," said Dr. Nirmala Kelamani, Professor of Hingulambika Ayurvedic Medical College and Research Centre, Kalaburagi. She was speaking at Central University of Karnataka on the occasion of International Yoga Day.

The Central University of Karnataka, Kalaburagi held International Day of Yoga as per the guidelines issued by the Ministry of Ayush and UGC with an emphasis on Yoga as an immune booster. Mr. Siddayya Guttedar and Mrs. Shashikala Guttedar of Vashista Yoga Centre demonstrated yoga for the participants. The event was organised following the safety measures and social distancing. Honourable vice chancellor Prof. H M Maheshwarai, Registrar Prof. Mushtaq Ahmed Patel, teaching and non teaching fraternity were present on the occasion.

Devaraj Urs is the champion of social justice: Prof. G.R Naik

105th Birth Anniversary of former Chief Minister D. Devaraj Urs was organized by the OBC cell of the Central University of Karnataka. Speaking on the occasion Prof. G.R Naik, Pro Vice-Chancellor, CUK said, "Shri. D. Devaraj Urs was a politician, ex Chief Minister and one of the greatest social reformers, the Karnataka state had seen. His tenure is particularly remembered for his reforms that targeted the depressed classes of Karnataka, namely the scheduled castes and the other backward castes. His priority was land reform, and his slogan was 'land to the tiller'. He was the voice of the poor and stood for the cause of the downtrodden in society." Prof. Mushtaq Ahmed I Patel, Registrar, Central University of Karnataka, Dr. Lakshamana G, Liaison officer, OBC Cell, Central University of Karnataka, Channaveer R.M, Dean, Student Welfare Officer and Heads of various Departments and Faculty members and Doctoral Research Scholars were present.

CUK Student to lead the Student Branch Networking Coordination

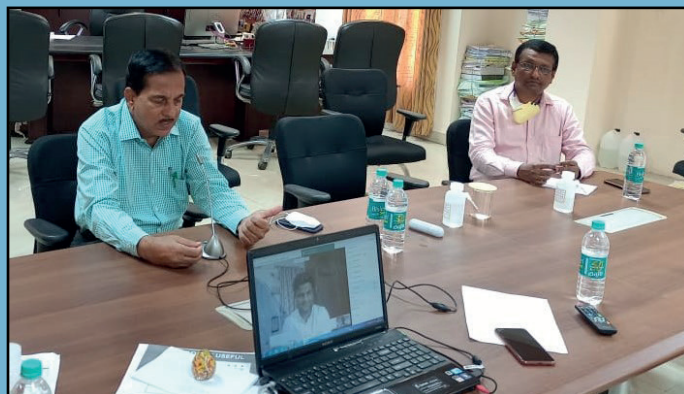

Ms. Sneha Chandran (3rd year, B.Tech - Electrical Engineering), got selected as a leader of Student Branch Networking Coordination Team 2020 of IEEE INDIA Council. It is a very prestigious recognition to a student, who coordinates with around 750 IEEE student branches across the country about technical events. Institute of Electrical and Electronics Engineers (IEEE) is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity

Virtual Initiatives of CUK – Ek Bharat Shreshtha Bharat Programme amidst COVID Pandemic

The Ek Bharat Shreshtha Bharat Programme launched by the Ministry of Human Resource Development (MHRD), Government of India (GoI) aims to promote the spirit of national integration through a deep and structured engagement between all Indian States and Union Territories through a planned engagement between States. One of the key objectives of EBSB is to celebrate the Unity in Diversity of our Nation and to maintain and strengthen the fabric of traditionally existing emotional bonds between the people of our Country. This is intended by showcasing the rich heritage and culture, customs and traditions of either State for enabling people to understand and appreciate the diversity that is India, thus fostering a sense of common identity.

Currently, the state of Karnataka and Uttarakhand is paired as per the direction of MHRD, GoI. One Higher Educational Institution from Karnataka is paired with another Higher Educational Institution in Uttarakhand. The Central University of Karnataka (CUK) is paired with Hemvati Nandan Bhauguna Gharwal University (HNBGU), a central university of Uttarakhand. As per the objective stated above, there were a number of activities

planned throughout the year under EBSB including the celebration of Statehood day, EBSB day, encouraging students to learn the language of the paired states, organising essay writing competitions, debates, dramas, quiz and cultural programmes, displaying theme boards and wall magazines, connecting students virtually through video conferencing, WhatsApp and Skype, holding youth festivals etc. In continuation of conducting essay competitions, poster making and creating wall magazines in the past, a series of online and virtual activities have begun.

Higher Education Must Gear Up to Face the Challenges of the New World : Prof. Chennai

“Higher education must gear up to face the challenges of the new world. We are living in a world of uncertainty and chaos and confusion have become the order of the day. We must make huge presentations to effectively handle the Covid-19 situations and also we must make consolidated efforts to address the issues in a changed global context,” said Prof. Rajendra Chennai, Rtd. Professor of Kuvempu University, Shivamogha. He was delivering the first lecture on a series of webinars organised by Faculty Academic Forum of Central University of Karnataka. He also talked about the need for the inclusion of pluralism in

all aspects of higher education.

Prof G R Naik, Pro Vice Chancellor of CUK inaugurated the webinar. He said, “The teachers and academicians have to explore the possibilities of evolving a mechanism to address the problems in a covid 19 situation. Forums of this kind would play a pivotal role in addressing the problems affecting higher education.”

Prof H M Maheshwariah, Honourable Vice Chancellor, Prof Mushtaq Ahmad Patel, Registrar, and Teaching faculties of the university also participated in the interaction program.

Free Arsenic Albumin Distributed to 150 Families of CUK

Professor (Dr.) Sampath Kumar and Dr. Rajendra Patil, of Dr. Malakareddy Homeopathy Medical College, Kalaburagi visited CUK and had a discussion with Honourable Vice Chancellor Prof. H.M Maheshwariah, Teaching and Administrative staff about Arsenic Albumin and its role as immune booster against Covid-19. They also addressed the CUK’s Covid-19 task force members through

video conference. In the address, he said, “As of now there is no medicine to cure Covid-19 infection. However its impact can be reduced by increasing the immunity. Ministry of Ayush, Government of India has suggested Arsenic Albumin will increase the immunity.” On this occasion, they also distributed Arsenic Albumin 30 drahm to 150 families of CUK staff.

Media Interaction Series 2020 in CUK

The Department of Journalism and Mass Communication organized a week long online interaction series with media professionals representing different fields such as Print & Electronic Media, Advertising, Photography, Corporate Communication, ICT for Social Change etc. The media interaction series 2020 aimed to cater to the prospective students who foresee themselves to get placed in any of these fields in the near future.

The online interaction series primarily discussed the scope of the respective fields from a career perspective and how these professionals handle their roles and responsibilities within the ever-changing media dynamics. Mr. Brian Thomas, Founder and Creative Head, Green Chilli Brands, Chennai, stressed on the changing trends of advertising with bringing the customers as a part of the advertisement. On the second day of the interaction, Mr. Himadri Bhuyan, Nikon Regional Mentor, North Eastern Region, spoke on the importance of passion in pursuing

photography as a profession. Mr. Sunil Dharmasthala, Cime Bureau Head, Digvijaya News, Bengaluru, pointed out the importance of building contacts, gaining trust and their roles in the process of crime reporting.

Mr. Suresh Belagaji, Former Senior Sub editor, Prajavani, Bengaluru, delivered on the importance of regional languages in reporting the issues of the people. Mr. Leening Meetei, Manager - Digital communication and Design, Novartis India, Hyderabad, spoke on the challenges of staying relevant and amplifying connections in the digital world. Mr. Arun Jayan, Senior Correspondant, Asian News International, Thiruvananthapuram, shared his experience on the different types of reporting and the role of news agencies. The last session of Media Interaction Series by Mr. Jean Paul Boddu, Senior Program Manager, Mentor Together, Bengaluru, delivered on the opportunities of building a career in NGO sectors and the scope of communication on social development.

Policy Impediments Killed India's Manufacturing Sector: Prof Bhagavati Prakash Sharmaw

"Policy impediments of which India had been adopted in the name of socialism killed our manufacturing sector," said, Prof. Bhagwati Prakash Sharm, Vice-Chancellor, Gautam Buddha University, Noida, Uttar Pradesh. He was speaking on the topic of "Atmanirbar Bharat-Challenges in India's Manufacturing Sector" as part of One Week Economic Webinar Series on "COVID-19 & Indian Economy- Challenges & Way Forward" organized by the Department of Economic Studies and Planning, Central University of Karnataka, Kalaburagi.

He further said, "India has invited foreign investment and created policy obstacles to our manufacturers. Creation of license Raj and quota system in the name of socialism is also equally responsible for destroying our manufacturing sector. This is the beginning point where our manufacturing sector lost its credentials." Even after globalization, privatization and liberalization led to 1991 economic policy, India has failed to protect its manufacturers and whereas China, Japan, Korea, USA have protected their manufacturing sectors, he opined. He substantiated

his statement with live examples from India's cement, automobile, textile, solar panel, software and other industries.

He added, India has 400 technology/industry clusters, most of these clusters are facing technology obsolescence and unable to compete with Chinese companies. Earlier India was contributing 6.5% global textile market, but now it has gone down to 3%. It is because of technological obsolescence. To overcome from this, we should go for cluster to consortium concept. In the technological consortium each of these companies will contribute for the technology development.

As companies may not have the ability to invest independently consortium is very good option. USA's 1994 policy has created cooperative research culture. UK, France and Germany created European Aeroplane Consortium later it was called as Airbus Consortium. He added To protect our manufacturing sector, citizens must have economic patriotism and techno nationalism. Government also must to expand monetary policy to promote Indian industry under the Atmanirbar Bharat, he said.

National Conference on Role of MSMEs in Inclusive Growth and Sustainable Economic Development of India- Issues and Challenges

“Micro, Small and Medium Scale Enterprises (MSMEs) are lifeline of our economy and they are the best tool for inclusive and sustainable growth of India,” said Prof. Mrunalini Fudnavis, Vice Chancellor, Solapur University, Solapur. She was speaking at the inaugural address of the two day National Conference on Role of MSMEs in Inclusive Growth and Sustainable Economic Development of India- Issues and Challenges organized by the Department of Economic Studies and Planning, Central University of Karnataka, sponsored by ICSSR Southern Regional Centre, Hyderabad.

“British have destroyed the Indian MSMEs to help the British traders. But what have we done after independence?, she asked. Further she said, “We gave more importance to large scale industries, instead of MSMEs. Only from the third five-year plan MSMEs started getting little attention. Village development revolves around the agriculture and MSMEs. If we want to stop the migration from rural to urban and boost reverse migration from city to villages, we have to give thrust on the development of Agriculture and MSMEs. To happen this, we need to change the mind-set of our youths. Today’s youths are very creative and dynamic, but they are attracted by city based white collar job. Hence, we need to train them in entrepreneurship and make them start their own enterprises. Instead of seeking jobs our youths should become job creators. It is good that government is creating conducive environment for budding entrepreneurs through start up India, stand up

India, MUDRA programs. And also tell them agriculture is an profitable industry, but it needs how you manage it.” “Today India needs more jobs for the youths. For that we need to think seriously about growth of the MSMEs and GDP. I hope this today’s conference all the experts will discuss about these issues and suggest suitable suggestion to the government,” said Hon’ble Vice Chancellor Prof. H.M Maheshwaraiah in his presidential address. On the occasion, a book edited by Dr. S Lingamurthy on MSMEs was released. Prof. Aswani Mahajan, from Delhi University was the Guest of Honour, Pro Vice Chancellor, Prof. G R Naik, Registrar, Prof. Mustaq Ahmed I Patel, Prof. M V Alagawadi, were on the dais. All the Deans, Heads, faculty members, Delegates and students were present.

Webinar on Changing Paradigms of Public Administration in the Purview of Covid-19

The Department of Public Administration, Central University of Karnataka, jointly organised a webinar with Political Science Collective Group of Eminent Scholars of South India. The speakers were, Dr. Vaishali Saxena, Assistant Professor, Department of Public Administration, University of Lucknow, discussed about the “Changing Paradigms of Public Administration in the Purview of Covid-19.” She emphasized on the changing requirements in administration from top-down bottom approach and focus on more specific policy programmes and inclusiveness. While Prof. N. Manu Chakravarthy of National College, Bangalore University, deliberated on “Covid-19: The Ethical Obligations of the State and of a society.” He focused on the ethical responsibility of state vis-a-viz of the society and humane approach in managing the pandemic. He critically examined the government responsiveness towards migrant’s labourers.

Prof. Vivek Rai and Prof. Bhaktavatsala Reddy who deliberated on the arenas of oral epics and tradition and transformation in folk arts respectively. In the second webinar on ‘Impact of Covid-19 on Folklore’, Prof. Sudhakar Reddy and B Krishna Reddy deliberated on the varied perspectives and approaches of folklore during Covid pandemic.

Three days online workshop on 'India From Prehistory to Medieval: Sources and Methods'

The department of History & Archaeology, Central University of Karnataka organised a three-day online workshop on the theme 'India From Prehistory to Medieval: Sources and Methods'. The workshop was intended to provide a platform to familiarize and discuss the new updates in historical studies, especially the sources and methods of its study. Honourable Vice-Chancellor Prof. H.M Maheshwaraiah inaugurated the workshop.

In the key note address, Prof. Varsha Shirgaonkar from S.N.D.T.Women's University, Mumbai, an authority on the History of Marathas, discussed about the importance of the different Historiographical Schools and their applications to reconstruct the cultural history of medieval deccan where she also highlighted a source known as Peshwa Daftar. Prof. Rekha Pande, a very known scholar associated with University of Hyderabad, talked about Research Methodology in History with special reference of gender in history which was equally informative. The other seven lectures were delivered on different aspects of the given themes of the online workshop by the invited resource person such as Dr Vishi Upadhyay, Bihar Museum, Patna, Dr Abhijit Dandekar, Deccan College, Pune, Dr V Selva-

kumar, Tamil University, Thanjavur, Dr Sudipa Ray Bandyopadhyay, University of Calcutta, Kolkata, Dr Vrushab Mahesh and Dr Rohitha Eswer, M.S.University, Barodra, Dr. Parth R Chauhan, IISER, Mohali and Dr Arati Deshpande – Mukherjee, Deccan College, Pune.

All the lectures were followed by interesting questions answer session which made the seminar more meaningful and interesting. Total eighteen hundred participants registered for the online workshop from various institutions all over India and few even from Afghanistan, Bhutan, Spain and Italy.

World Mother tongue day - 2020 celebrated at CUK

"It is a common understanding that one acquires a mother tongue/s, and other languages are learned over time. Thus the mother tongue should be the primary medium of instruction in schools as it reaches the soul of the person and enhances one's psychological as well as socio-logical skills." said Prof.Perumal Samy, Deputy Director, CIIL, Mysore.

Speaking on the occasion of the World Mother Tongue Day celebrated by the Department of Linguistics of the Central University of Karnataka. Prof. Samy said, "The last proper linguistic survey in India happened in 1900 by an Irish linguist Rof Grierson. Hence, it is the responsibility of the linguistic society of India, a linguist of India, as well as academicians to take the initiative of the survey now." Quoting the history of the Bangla Movement, he said that in Bangladesh, 21st February had been observed as Language movement day, and UNESCO declared it as International Mother Tongue Day since 1999 to pay tribute to the Language Movement.

Vice-Chancellor Prof. H.M Maheshwaraiah, in his presidential address, said, "India is the country with language diversity among other countries of the world. India is witnessing the phenomenon of language endangerment as most of the minor languages are on the verge of extinction." He further said that CUK has taken up the project regarding this issue. Pro-Vice-Chancellor Prof. G R Naik, Registrar Prof. Mushtaq Ahmed I Patel, Prof Sunitha A

Manjanbail, Dean, School of Humanities and Languages, Prof. Rajeswari Maheshwaraiah, Deans and Heads of Various Schools, Faculties, and students were present on the occasion.

Inauguration of the Department of Law at CUK

“We are proud that our district has a prestigious university like the Central University of Karnataka. It will be great if we can do something by the University, which is helpful for our land, country and the whole of humankind. Today I am happy to inaugurate the department of Law in the University,” said Basavaraj Patil Sedam, President of Human resource, Agriculture and cultural sangha of Kalyana Karnataka and Ex-member of Parliament.

Speaking after the inauguration of the Department of Law at the Central University of Karnataka, he said, “Kalaburagi has its own identity. It has given the Rastrakuta kingdom, and it is the home for Jaina poets, Sufi poets, and also shararas. It is the city of production and marketing of dal. Not only these, but it also has its impress in the field of education as well. More importantly, Marathur has a historic place because of its contribution in the field of legal studies.”

Pro Vice-chancellor of the University, Prof. G R Naik said, “The department of Law is one of the few cours-

es that started newly. According to the National education policy, education should have the essence of heritage. When we come to the Department of Law, we are happy to see that they made use of the heritage of this place by conducting the symposium on the contribution of Vignaneswara to the Indian Legal system.”

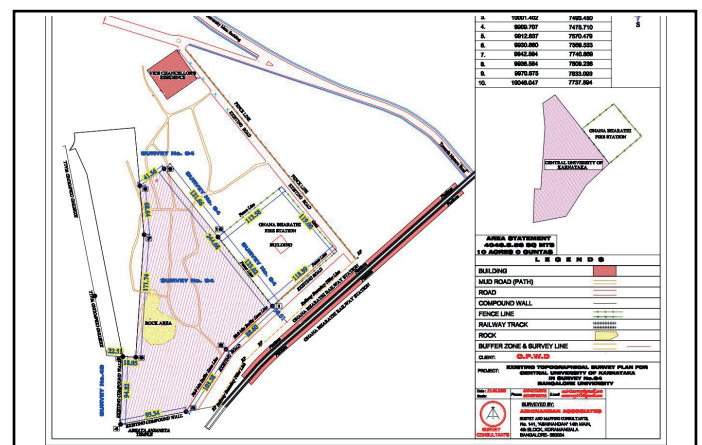

Vice-Chancellor of the University, Prof. H.M Maheshwaiah, in his presidential address, said that it gives him immense happiness to see the progress of the university. In the last five years, the University has seen lots of development. “If the department gain success in the nation it will be a proud moment for us.” he said.

Registrar of the University, Prof. Mustaq Ahmed I Patel, Former District Judge and Former Professor of Law. Dr. SBN Prakash, Senior Journalist Dr. Srinivas Sirnoorkar, Department Co-ordinator Dr. Muhammed Nazrul Bari, faculties Dr. Basavaraj M Kunakaddi, Dr. Anant D Chinchure, students and faculties from Law Colleges of Gulbarga were present on the occasion.

Approval of Land to CUK to establish research center at Bangaluru

“State government of Karnataka considering the proposal given by Vice-Chancellor of Bangalore University has approved to give 10 acres of Land within the premises of Bangalore University on the basis of lease to the Cental University of Karnataka to establish center of Research and Excellence in collaboration with ISRO and DRDO,” said Prof.H.M.Maheshwaraih, Vice-Chancellor of CUK.

Government sanctioned this land at Jnanabharathi under section3(4) of Karnataka Univerities Act, 2000 on basis of lease for 30 years. This centre will work relating to the subjects of Microwaves, Antenna and Op-to-Electronics he added.
