Subject: Institution Verification of Student Scholarship Applications on NSP-Reg.

***

Apropos subject, the students of the University have applied for scholarship under various State and Central Government Schemes on the National Scholarship Portal. The Eligibility criteria and the guidelines varies from one scheme to the other. The Scholarship applications submitted by the students are to be verified by the University for further processing of applications by the scholarship disbursing agencies.

Accordingly, it is required that all the students were to submit the necessary documents to the Scholarship Cell of the University for Institution Verification. However after examination and verification of 158 applications it is observed that majority of the students have either not submitted all the relevant documents or no documents at all to the University. The Department wise list of the scholarship applications received under various schemes on the National Scholarship Portal is attached in annexure-1 for reference.

Further, some of the Scholarship Schemes require certification by University that the students carry a good conduct, are regular to the classes and are not involved in ragging activities. Also some students might have cancelled the admission and even than they apply for scholarship .Therefore All the Heads/Coordinators are requested to verify the list for students of the respective departments department and inform the scholarship Cell of the University by return email regarding any such activities by any of the students in the attached list. **In case no adverse remarks are received by the concerned Heads/Coordinators on or before 25-01-2022,** it will be assumed that there are no adverse remarks against any of the said students and all such applications fulfilling the eligibility criteria and upon submission of mandatory documents as per remarks will be forwarded the University login for further process of sanction of scholarship by Scholarship disbursing agencies.

All the students are informed to make note of remarks against their respective application ID. It is also observed that some students have applied for incorrect program/discipline. All such applications will be marked defective and sent back to NSP Student login for necessary corrections. Students are informed to submit necessary documents only though the Google form below on or before 25-01-2022.

Further it is informed that failure to submit legible copies or not submission of documents, such applications will be summarily rejected by the University and such students' scholarship application will not be considered by Scholarship disbursing agencies for further processing of scholarship.
