Sponsored

**Ten Days Workshop on
Research Methodology for
Social Science
Emerging Trends in Research**

Offline mode

Organized by

**Department of Education
School of Education and Training
Central University of Karnataka.**

20th – 29th January, 2025

No Registration Fees

About ICSSR:

Indian Council of Social Science Research (ICSSR) was established in the year of 1969 by the Government of India to promote research in social sciences in the country. The Council aims to: Review the progress of social science research and give advice to its users; Sponsor social science research programmes and projects and administer grants to institutions and individuals for research in social sciences; Institute and administer scholarships and fellowships for research in social sciences; Indicate areas in which social science research is to be promoted and adopt special measures for development of research in neglected or new areas; Give financial support to institutions, associations, and journals engaged in social science research; Arrange for technical training in research methodology and to provide guidance for research; Co-ordinate research activities and encourage programmes for interdisciplinary research; Develop and support centers for documentation services and supply of data; Organize, sponsor, and finance seminars, workshops and study groups; Undertake publication and assist publication of journals and books in social sciences; Advise the Government of India on all matters pertaining to social science research as may be referred to it from time to time; and take such measures generally as may be necessary from time to time to promote social science research and its utilization.

About Central University of Karnataka:

The Central University of Karnataka (CUK) has been established by an Act of the Parliament (No. 3 of 2009) at Kalaburagi, Karnataka. It is one of the 16 new Central Universities established by the Government of India during the UGC XI Plan Period to address to the concerns of 'equity and access' and to increase the access to quality higher education by people in less educationally developed districts which have a Graduate Enrolment Ratio of less than the national average of 11%. The University has 654

acres campus, situated near Kadaganchi village in the district of Kalaburagi, Karnataka State. It is claimed that CUK is the first Central University to move to its permanent campus in a short time among the new ones. The main objective of this growing University is to integrate teaching, learning, training, research, innovation and skill development with an aspiration to excel in undergraduate, post graduate and doctoral studies. The University offers programmes in six major areas: Arts, Humanities, Social Sciences, Management, Sciences, and Engineering. The University is working towards making the campus green, energy efficient and sustainable.

About Department of Education:

The Department of Education offers B.Ed., M.Ed. and Ph. D. programmes. recognized by National Council for Teachers Education – Southern Region Committee (NCTE –SRC) with the intake of 50 students for B. Ed and M. Ed. programme, meant for prospective Teachers at Secondary level and Teacher Educators. The primary objective of the Department is to impart quality teacher training. In addition to teaching-learning process, research and extension activities such as seminars, discussion are the integral part. This is a course with potential of employment in teaching learning, evaluation and research.

Learning Outcomes of the Research Methodology Workshop:

On successful completion of the Research Methodology Course (RMC), the scholars will be able to –

- ♦ understand research concepts with depth and breadth.
- ♦ analyse different research paradigms, methodologies and approaches used in social sciences.
- ♦ explore the current trends of research in their respective disciplines.
- ♦ critically evaluate research literature, identifying strengths, weaknesses, and

gaps in existing research studies.

- ♦ select appropriate research designs and methodologies based on research questions, objectives and data requirements.
- ♦ develop outline of research proposals containing research questions, research objectives and methods.
- ♦ understand ethical guidelines and standards of research.
- ♦ evaluate the appropriateness of various data collection methods, including surveys, interviews, observations, and experiments, and select the most suitable method for specific research objectives.
- ♦ design tools and techniques; qualitative and quantitative; for data collection.
- ♦ ensure the validity and reliability of research tools.
- ♦ apply quantitative and qualitative data analysis techniques.
- ♦ learn data analysis software for qualitative and quantitative data with hands on experience.
- ♦ interpret research findings accurately and critically, drawing conclusions based on empirical evidence and theoretical frameworks.
- ♦ communicate research findings effectively through written reports, oral presentations, and visual representations, targeting diverse audiences.
- ♦ develop research writing skills.
- ♦ create an impact and increase the visibility of their research work through publication in high indexed peer reviewed journals.
- ♦ recognize ethical issues and dilemmas in research, including informed consent, confidentiality, privacy, and conflicts of interest.

Major Areas to be Covered:

- Research Paradigms; Research

Methodology; Systematic Literature Review.

- Research Problems, objectives and Hypothesis; Population, Sample, Sampling Techniques.
- Hypothesis Testing – Parametric and Non-parametric; Statistical Analysis; Data Analysis Software.
- Qualitative Research Designs; Qualitative Research Tools and Techniques; Qualitative Data Analysis; Data Analysis Software; Triangulation.
- Academic Writing – Structure and Elements; Reference Management Software, Research and Publication Ethics; e-resources for research.

Eligibility Criteria

This workshop is meant **only for the research scholars** currently pursuing their Ph. D./PDF in social science disciplines from UGC recognized universities and research institutes from India. Preference will be given to the early career researchers.

Intake

Maximum 30 (10 local, 10 from Karnataka State other than local and 10 from outside of the Karnataka state) participants from social science disciplines will be selected.

How to Apply

Interested candidates can apply for the Research Methodology Workshop through an online form (link given below) by uploading the registration form duly signed by the Ph. D. supervisor and forwarded by the Head of the institution given on the last page.

<https://forms.gle/7AatVMSpwQTCKuyBA>

The brochure and the registration link of the Research Methodology Workshop are also available on the website www.cuk.ac.in

Hard copy of the registration form, Ph.D. registration certificate and caste certificate should be produced on the first day of the workshop.

Accommodation and Travel Allowance

- Accommodation will be provided on sharing basis to the outstation participants only.
- Breakfast, lunch, dinner and refreshments will be served to all the participants.
- Travel allowance will be reimbursed to the outstation participants only as per the ICSSR guidelines and subject to the production of original tickets by the shortest distances subject to a maximum of Rs. 1000/- per participant (to and fro).
- No local conveyance will be reimbursed.

Please Note

- The selection of the participants will be done as per the ICSSR guidelines.
- No any leave is permissible during the course duration.
- Selected participants must bring their personal laptops.

Important Dates:

Last date of registration :

28th December, 2024.

Intimation to the selected candidates :

2nd January, 2025.

Dates of the workshop:

20th – 29th January, 2025
