This is to inform all Research Scholars availing fellowships such as UGC NET-JRF/SRF, NFSC, NFST, NFOBC, MANF, NF-DIS, etc. that as per the decision of the Government of India, with effect from 01-04-2026, all fellowships processed through the Canara Bank Scholarship and Fellowship Management Portal (SFMP) (https://scholarship.canarabank.bank.in/) will be disbursed only through the Aadhaar Enabled Payment System (AEPS).

Accordingly, account-based payments will be discontinued from the above date.

In view of the above, all concerned Research Scholars are required to ensure the following:

i. Login to the Scholar's Corner athttps://scholarship.canarabank.bank.in/scholar/Login.aspx and verify that your Aadhaar number is seeded and approved in the portal.
   - If Aadhaar is not seeded, kindly update it in the portal and contact the Scholarship Section, CUK for approval.
   - Scholars are also advised to verify whether their payment mode is Aadhaar-based or account-based in their profile section.

ii. Ensure that your Aadhaar is linked with your bank account and enabled for Direct Benefit Transfer (DBT). This may be verified through the UIDAI portal: https://myaadhaar.uidai.gov.in/login (Bank Seeding Status).

iii. Check Aadhaar–Bank linking status on the National Payments Corporation of India (NPCI) Mapper to confirm that DBT is enabled. This can be verified through:
   - NPCI website: https://www.npci.org.in/ → *Customer* → *Bharat Aadhaar Seeding Enabler (BASE).*

The list of scholars along with the payment mode currently reflected in the system is enclosed for reference. All scholars, particularly those whose payment mode is presently account-based, are requested to complete the above steps (i–iii) at the earliest, and in any case on or before 08-03-2026, to ensure seamless and uninterrupted receipt of their fellowship payments.

This is issued for information and necessary compliance.
